Dear Sir/Madam,

Workshop on Network Security – 2018

We are pleased to announce that the Workshop on Network Security (03 days workshop) planned to be held at Information Technology Center, University of Peradeniya on 12th, 13th & 14th June 2018. This workshop is hosted by LEARN and there is no admission or registration fees charged. LEARN also provides two-nights accommodation to all participants, at University of Peradeniya guest houses with meals included.

LEARN objective of this workshop is to use network security systems that constantly monitors a computer network and to provide comprehensive understanding and hands-on experience allowing participants to gain valuable experience in network security best common practices, tools and techniques.

- Venue : Information Technology Center, University of Peradeniya
Duration : 3 days
Class size : 60 (max)
Target group : Network Administrators/Engineers from LEARN member institutions (one who deals with the
: campus network)
Program Level : Intermediate/advance
Course fee : Free of charge (two nights accommodation on sharing basis, refreshment, lunch, dinner
: and breakfast will be provided)
Date : 12th, 13th & 14th June 2018
Note : Participant are requested to bring a laptop (4GB RAM, 25GB free disk space) with **VirtualBox**
: or any other suitable hypervisor installed

Application closing: 30th May 2018

For more detail, please visit <https://indico.learn.ac.lk/event/1/> and for any clarification please contact Mr. Dilum Samarasinghe, Network Engineer at LEARN (081 200 3035 or 0775 239 500).

Please be kind enough to nominate appropriate technical personals from your institute who are actively involved in network maintenance and troubleshoot. Nomination form is attached herewith for your kind reference.

We will publish the selected list in the LEARN website by 05th June 2018.

Thank you.

Sincerely,

Dr. Roshan G. Ragel
Chief Executive Officer
Lanka Education & Research Network
